Compensation and Benefits Work Group

The role of the Compensation and Benefits Work Group is to provide specific guidance and oversight in the production of a PPS-wide compensation and benefits analysis. Specifically, ensuring the completion of the steps provided in the Workforce Implementation Plan, by the specified due dates, including:

- 1) Analysis of PPS-wide job categories/job titles
- 2) Identify origin and destination of redeployed/retrained staff
- 3) Evaluate changes to compensation and benefits of affected staff.
